UECU IS CELEBRATING CU YOUTH MONTH

Traditional savings accounts offer a tried-and-true way for people to save money. If you want to start saving for your child's future, open a youth savings account at UECU! Children, just like adults, will be much more motivated to save their money if they have a specific goal in mind. Help them set their sights on something to save up for, remind them of their goal whenever they get an inclination to spend, and watch them as they experience the thrill of achieving an accomplishment!

- Newly opened youth accounts receive the \$25 required opening share from UECU and it is recorded as a dividend.
- New youth accounts will also receive a cash surprise piggy bank.
